

**La Quinta Golf & Country Club**

## **6 Bedroom Villa**

**Spain, Benahavis**

**€2.685.000**

**Ref: R3520219**

This unique property will have every possible modern feature using only the finest materials and construction technology available. Every aspect of modern living has been considered in the design process. A sun study has been conducted creating a soft shade along the expanses of glass in the height of summer and absorbing all of the sun in the winter months. This house is truly at harmony with its natural environment using the elements in its design of fire, wood and stone to blend into its mountain setting. The house has many unique features that will create a truly inspirational living environment. The cooling elements of the natural water flows around the house including an integral swimming pool with clear glass reflecting natural light into the entertainment area incorporating cinema, w...

# Property Description

**Location:** Spain, Benahavis

This unique property will have every possible modern feature using only the finest materials and construction technology available. Every aspect of modern living has been considered in the design process.

A sun study has been conducted creating a soft shade along the expanses of glass in the height of summer and absorbing all of the sun in the winter months. This house is truly at harmony with its natural environment using the elements in its design of fire, wood and stone to blend into its mountain setting. The house has many unique features that will create a truly inspirational living environment. The cooling elements of the natural water flows around the house including an integral swimming pool with clear glass reflecting natural light into the entertainment area incorporating cinema, wet rooms and sauna. Mountain views, golf views, and sea views including surging mountains and continents All from the privacy of your own mountain setting. Yet all in touch with the urban scene of Marbella only a short shift away.
