Property Description

Location: Brazil, Trancoso

Dramatic five bedroom villa situated on a hillside overlooking the 17th green with golf course views throughout. The home includes five bedroom suites with double showers including a master suite with office and master bath and jacuzzi tub, two deck areas, infinity swimming pool, three bar areas including sunken pool bar and entertainment centers that include pool table and ping pong table. Guests can enjoy the beauty and amenities of this home when they like. The home comes with a full time maid and butler/bartender as well as our Villa reservation and concierge service. The Terravista complex is made up of the golf course, condominiums and homes and a Club Med which is separated from the rest of Terravista by a valley. We share an entrance to the beach with the Club Med. We both have staircases that merge from each side of the valley. It is one of the most spectacular descents in Brazil with red clay cliffs on both sides. The Terravista golf course is truly spectacular and was designated by Golf Digest as one of the 7 Pebble Beaches of the world.
