Property Description

Location: Spain, Sotogrande

The Collection is a community of individually designed family villas, expanding from four bedrooms to vast structures that allow for staff accommodation, spas and indoor pools. Whether 600 or 900 sq m, each villa centres round a sun terrace, pool and landscaped garden designed especially for the Andalucian climate, while also ensuring the interior comforts that make La Reserva Club a year-round retreat.

MEDITERRANEO 6

In front of the third and fourth holes of La Reserva's golf course, enjoying the elevation and accompanying vistas across the resort to Spain's southernmost point, is Mediterraneo 6: a two-floor, four-bedroom villa with an infinity pool, airy accommodation that opens onto terracing and landscaped gardens.
