Property Description

Location: Spain, Sotogrande

La Reserva Club Sotogrande - The Residences

Amidst olive groves, palm trees and the undulating 18-hole golf course of La Reserva Club – just 30 minutes from Marbella – sits an array of exceptional individual and gated communities. From contemporary hilltop homes capitalising on panoramic sea views with floor-to-ceiling windows to contemporary apartments in a tranquil parkland with state of the art facilities, each home is designed to invite the Mediterranean landscape and light in, merging in and outdoor living to best savour La Reserva's privileged location. The communities are anchored by La Reserva Club, a country club complex exclusively available to the communities' residents.

The Seven

Seven capacious, one-of-a-kind mansions created by seven of the world's leading architects, each hidden in its own hectare of luxuriant parkland inspired by the landscape of rural Provence. Plot prices starting from €7.600.000 to €8.500.000

The Silvestre Villa

Interior 1,501 m²
Terrace 671 sq m
Site 10,612 sq m

Gaining international attention for imaginative, opulent private properties in striking forms, Fran Silvestre's creations are also designed to be efficient and environmentally friendly, respecting the ground they're built on. With his Valencia-based architecture studio, he has also received multiple awards for his ambitious, progressive work on environmental projects such as the Eólica Wind Tower.

"This project is the result of compromise between the desire to be part of the landscape and the wish of catch it."
