

San Lorenzo Golf Club

Villa Plot

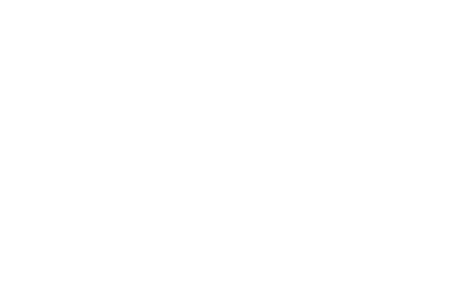

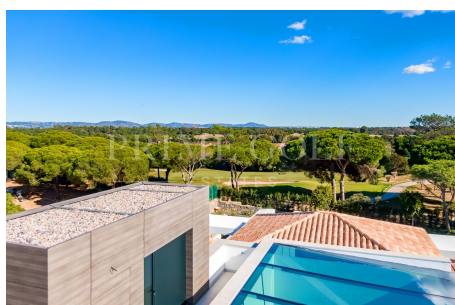

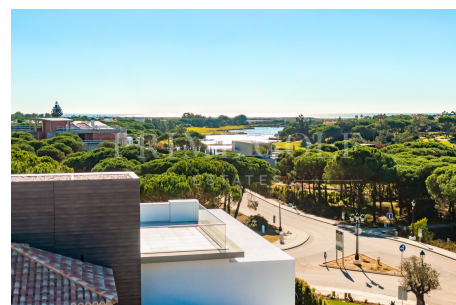

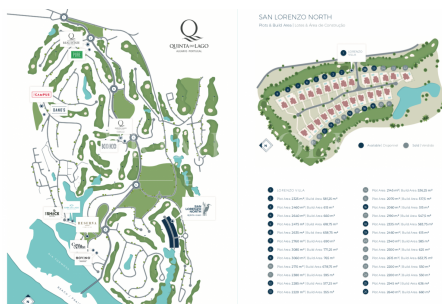

Portugal, Almancil

€2.950.000

Ref: PG-1999

San Lorenzo North, one of the last untouched corners of Quinta do Lado, is available for purchase. Dividing into 26 plots, each benefitting from lakefront, golf-front and pine grove views, San Lorenzo North offers the chance to build your luxury home within the Algarve's most desired resort development. With no restrictions as to architectural demands, this represents an incredible opportunity to build the property of your dreams, be it contemporary or more traditional. With areas ranging from 2060m² to 3085m², each plot is intended for the construction of detached private villas. This area allows for spacious villas built over a maximum of two levels and a basement, ensuring San Lorenzo North contains a limited number of well-spaced properties, unobtrusively developed into the na...

Property Description

Location: Portugal, Almancil

San Lorenzo North, one of the last untouched corners of Quinta do Lado, is available for purchase. Dividing into 26 plots, each benefitting from lakefront, golf-front and pine grove views, San Lorenzo North offers the chance to build your luxury home within the Algarve's most desired resort development.

With no restrictions as to architectural demands, this represents an incredible opportunity to build the property of your dreams, be it contemporary or more traditional. With areas ranging from 2060m² to 3085m², each plot is intended for the construction of detached private villas. This area allows for spacious villas built over a maximum of two levels and a basement, ensuring San Lorenzo North contains a limited number of well-spaced properties, unobtrusively developed into the natural surroundings. From the simple purchase of a plot, to turnkey solutions, clients can expect flexibility and a service bespoke for each person's needs.

Prizes from 2.950.000 EUR - full details upon request.
