Property Description

Location: Spain, Marbella

Magnificent front line golf villa overlooking Río Real golf course, with wonderful mountain views and partial sea views. Recently renovated to high standards, this property offers privacy and enjoys sun throughout the day. A lovely driveway leads to the front entrance of the property, with parking space for 3 cars. Distributed over 2 levels, it comprises: on main level: attractive entrance hall with guest toilet; enormous living/dining room with two fireplaces, open plan Italian kitchen with Siemens appliances and large terrace overlooking the golf course and gardens; large en-suite master bedroom with dressing area and terrace; 2 en-suite guest bedrooms, one with private terrace. A spectacular floating staircase leads to the lower level: cinema room; en-suite bedroom with access to the garden; further bedroom; gym and sauna with storage area; toilet with shower and small kitchen, both with access to the garden. Independent office with A/C which could be converted into an extra bedroom. Double garage with toilet. Mature tropical landscaped garden with large pool and “chill out” gazebo, ideal for dining. Special features include: surveillance cameras, perimetral alarm, automatic irrigation system, surround sound system and decking by the pool. Air conditioning, central heating and under-floor heating in Porcelanosa bathrooms, all on the main level. A unique property in a tranquil area, ideal for entertaining and within a short drive to Marbella Centre.
