Property Description

Location: Spain, Benahavis

Welcome to this grand residence that possesses the coveted combination of stunning views and unbeatable location. Elegant and spacious, the villa sits on the south, southwest facing side of an intricate, elevated landscape in this highly acclaimed resort, Los Flamingos in southern Spain. Central to the design is an inspiring three-tree atrium – an innovative glass facade that encapsulates the essence of life, allowing you to be bathed in light and nature every minute of every day.

The dramatic proportion and scale make the views as grand as the spaces from which they are enjoyed at every level. The timeless style that is expressed in the sophisticated lines of the architecture merge seamlessly with the panoramic backdrop. This luxury contemporary design symbolises the utmost quality in fusion with the ecologically aware and creative high-end luxury residential living.

Nestling unobtrusively within the terrain of the elevated scheme with over 400 square meters of exceptional outdoor space, spa, solarium and roof-top pool allows you to enjoy your leisure time in the recreational areas and experience the creative use of extensive multifunctional living space. Alongside panoramic views to Africa and the Mediterranean this home encompasses a unique and sophisticated opportunity to benefit from nature and design.

The exquisite features, such as the elegant expansive staircase provide easy access to every level of the property with panache. Curating the finest in lifestyle, entertainment and technologically efficient qualities the villa has been created to optimise every detail. The undeniable talent of the team have woven a delicate web of breath-taking features that leaves no stone unturned in stylish original creativity.
