Property Description

Location: Spain, Sotogrande

Contemporary newly built west-facing villa overlooking the Almenara golf course.

This very spacious and recently built contemporary five-bedroom villa looks west through the Almenara countryside, and is very close to the Sotogrande SIS International College.

The property is located in a quiet street established with residents throughout the year. The accommodation consists of: - Double height entrance hall, living room, dining room, separated from the open kitchen with breakfast bar. Three double bedrooms and en suite bathrooms and a guest bathroom are located on the ground floor, plus a social area that is used as a TV room. The staircase leads to the upper floor, where the master bedroom and the bathroom are located, next to a space that could be a study or a room for a small child. The lower floor offers an apartment consisting of a bedroom, a living room and bathroom; A new owner could use this space differently, for example, to install a gym. There is also a double size garage, a storage room, machine room and laundry room. Sotogrande does not have many contemporary villas for sale similar to this property, which meet the preference of many applicants.
