

Real Club de Golf Sotogrande

7 Bedroom Villa

Spain, Sotogrande

€4.900.000

Ref: PG-2163

This new villa is one of the most luxurious and contemporary properties in Sotogrande. It is set in a quiet road in the heart of the sort after "Kings and Queens" area on the Costa side of Sotogrande. As such it is convenient for all local facilities, such as the Real Club de golf Sotogrande, the Sotogrande Marina, shopping facilities or the Sotogrande International School. At the same time, the orientation of the plot and the design of the garden provides seclusion. It sits alongside neighbours of other high specification villas. The property has seven bedrooms, including an impressive master suite. There are several reception areas, a wine cellar, and a study. The property features high specification heating, air conditioning, and glass insulation. This home is suitable as the main famil...

Property Description

Location: Spain, Sotogrande

This new villa is one of the most luxurious and contemporary properties in Sotogrande. It is set in a quiet road in the heart of the sort after “Kings and Queens” area on the Costa side of Sotogrande. As such it is convenient for all local facilities, such as the Real Club de golf Sotogrande, the Sotogrande Marina, shopping facilities or the Sotogrande International School. At the same time, the orientation of the plot and the design of the garden provides seclusion. It sits alongside neighbours of other high specification villas. The property has seven bedrooms, including an impressive master suite. There are several reception areas, a wine cellar, and a study. The property features high specification heating, air conditioning, and glass insulation. This home is suitable as the main family home or as a holiday residence. The gardens feature an infinity pool with retractable cover and solar heating to ensure both a long swimming season and economic running costs. The extensive gardens will be landscaped to a high standard. The gardens will be fully laid out to provide the plot with a high level of seclusion from the road and neighbouring properties.
