

**Almenara Golf**

## **5 Bedroom Villa**

**Spain, Sotogrande**

**€2.800.000**

**Ref: PG-2168**

From its grandstand view overlooking Almenara Lake and the "Los Lagos" Golf Course this villa is posing with its open plan high ceiling design spread across an internal space of 646m<sup>2</sup> including the covered terraced areas. This architectural statement puts the villa on the map for quality and scale. Its contemporary design, both inside and out, compliments the natural surrounding it is built on. The property is built on one floor, and accommodates 4 guest bedrooms, all with their own bathrooms. The master suite takes prime position providing sensational lake and golf views. Privacy and seclusion are secured at this location, as it is high above the golf course. The large open plan kitchen also has access to the covered terrace and pool area. The living room with its double height ceiling...

# Property Description

**Location:** Spain, Sotogrande

From its grandstand view overlooking Almenara Lake and the “Los Lagos” Golf Course this villa is posing with it’s open plan high ceiling design spread across an internal space of 646m2 including the covered terraced areas. This architectural statement puts the villa on the map for quality and scale. Its contemporary design, both inside and out, compliments the natural surrounding it is built on. The property is built on one floor, and accommodates 4 guest bedrooms, all with their own bathrooms. The master suite takes prime position providing sensational lake and golf views. Privacy and seclusion are secured at this location, as it is high above the golf course. The large open plan kitchen also has access to the covered terrace and pool area. The living room with it’s double height ceiling connects with the dining room through a contemporary courtyard with water feature. The house is equipped with under floor heating, and air conditioning. The garden in front of the large terrace area is flat and orientated to the south west, therefore enjoying sunlight until sunset.
