Property Description

Location: Spain, Sotogrande

Refurbished modern villa offering spectacular views over La Reserva Golf golf course towards the mountains and the sea.

Much work has gone into this six-bedroom property in terms of maintenance and modernization. The villa has three floors, comprising of four double bedrooms on the lower floor all with their bathrooms and access to the garden. The master suite and dressing area on the top floor and off which there is a large terrace. And, on the middle floor the entrance hall, guest toilet, large kitchen, living/dining room, both with access to the terrace and pool area, service bedroom and bathroom, laundry room and garage for one vehicle. The property benefits from a magnificent pavilion, which has a bathroom, and is used as a games room currently but could be converted into additional living space. Cork trees feature strongly in the garden which is very well kept and distributed.
