Property Description

Location: Spain, San Roque

This exclusive, well-established urbanisation is a part of the coastal municipality of San Roque, to the south of Sotogrande. From your future home you will be able to admire **fascinating views** of the sea, the African coast and the impressive Rock of Gibraltar that offer you a constant sense of freedom and happiness.

Located 100m from the beach, this new development is surrounded by nature and has plenty of opportunities for **outdoor sports and activities**. The spectacular sea views are accompanied by the relaxing green color of golf courses, as there is a golf course attached to the urbanisation where you can enjoy practising your swing. There are also 3 iconic golf courses just within 10 minutes drive: Valderrama, Real Club de Golf Sotogrande, and San Roque Club.

These 2- and 3-bedroom properties are designed in a **contemporary style and furnished with top brands** such as Porcelanosa and Schücco, with kitchen appliances from Siemens and bathroom fittings from Noken. In your future home all the details have been selected with the greatest care. Some apartments have underfloor heating system and heated towel racks. The LED-lighting installed in your living room ensures that the apartment has a nice and relaxing ambiance perfect to enjoy the Mediterranean lifestyle.

The private areas have 2 communal swimming pools enriched with beautiful Mediterranean gardens that contribute to your sense of tranquility. There is a **gym, spa and a shared co-working space**. Each property has a private parking spot with pre-installation for electric cars.

At this development you will find a **perfect balance** between mind and body under the pleasant Mediterranean sun. Don't hesitate to contact us for more information, plans, availability or schedule a visit to check this truly amazing property.
