

Terravista Golf Course

Development Land

Brazil, Trancoso

€16.000.000

Ref: PG-2185

The best investment opportunity in Brazil at the moment, this 350 hectares land offers a unique range of possibilities for a developer (building plots, "off-plan" sales of villas, hotel, etc...). At least 4 sub-development areas exist within this area: some with sea views, others with direct beach access, and others with first line golf views. And what's more: a developer may take advantage of the existing infrastructure (security, golf course, beach access, etc...). MORE INFO ON REQUEST.
