Property Description

Location: Portugal, Almancil

A limited number of fully refurbished residences, ranging from 1-2-bedroom apartments to 3-bedroom penthouses, are the only development ready for immediate occupancy in Quinta do Lago, a highly sought-after destination for investors and lifestyle buyers alike.

This level of exclusivity in a prime location, paired with a guaranteed annual return and golden visa eligibility, all combined create the ultimate investment opportunity.

Every apartment is designed to the highest specification, fully-furnished with a fully-equipped kitchen with dishwasher, microwave and espresso machine, tiled bathrooms with separate bath and walk-in shower, HD multi-channel televisions and complementary highspeed internet access.

Each private residence opens up on to a welcoming spacious terrace or balcony and benefits from a generous private patio or terrace and dedicated parking for 1-2 vehicles.

The development includes a spa, gym, outdoor and indoor pool, kids club, as well as ideal proximity to Quinta do Lago's lifestyle amenities, world-class golf courses, The Campus, beaches, restaurants and more.

In walking distance to the beach and restaurants, and on the doorstep of the world-class sports and leisure facilities, these special residences offer the chance to enjoy the unique lifestyle of Quinta do Lago – and homeowner benefits exclusively through the resort’s official real estate agency.

Use your property up to 12 weeks per year over a mix of high, medium and low season, or extend for a discounted rate - your friends and family are also welcome. While you are away, the distinctive service of the Wyndham Grand Algarve will manage and rent your residence according to your preferred Rental Program option.
