Property Description

Location:

We are pleased to present this wonderful semi-detached house in one of the most prestigious urbanizations in the Golden mile.

This property consists of 6 bedrooms, four bathrooms and a toilet.

Entering the house we find a hall that welcomes us. From there, we have access to a guest toilet, a storage room and a large fully equipped kitchenette. Then we find a spacious living room that has access to a backyard on two levels of fifty m2.

Near the kitchen is the staircase that leads us to the other levels. On the top floor, from the hall of the one floor, we can access a room that is used as a dressing room, a room with fitted wardrobes, a bathroom for this and a double room, also with fitted wardrobes, with full bathroom with shower and bathtub and exit to a terrace with sea views.

On the basement floor, living in its entirety, we find a hall that takes us to a room on the left with fitted wardrobes and en-suite bathroom. And to the right of that hall, we find two rooms that share a full bathroom.

The property is located within a gated community, which offers privacy and proximity to the beach, also to the center of Marbella and the famous Puerto Banus marina just 5 minutes away. It is also close to all kinds of services such as famous restaurants, supermarkets, pharmacies, the luxurious Marbella Club Hotel and international schools. The complex has mature gardens, communal pool and tennis court, plus the house includes two parking spaces in an underground car park and a large storage room.
