COMPLEX

Located in a unique setting with expansive sea and mountain views, the development comprises **36 residences in Phase I**. This initial phase is part of a master plan to develop 144 residences across three phases.

The estate is distinguished by its harmonious **integration with the natural landscape, with buildings, gardens, and communal areas arranged at varying levels**. Winding pedestrian pathways and staircases adapt to the slope, providing an accessible and seamless way to explore the complex.

Mediterranean and tropical vegetation, featuring lush shrub plantings, surrounds each area, creating an immersive atmosphere in the key spaces of this development: **pools, exercise areas, and outdoor leisure spaces**.

The complex includes a communal entrance with a **security booth**, an automated garage door, and two independent pedestrian access points.

AMENITIES

The development features a **communal outdoor pool with sun-lounger areas** for relaxation. The pool is finished with glazed glass mosaic tiling and includes an infinity edge and overflow system, as

well as a saltwater electrolysis system for more natural water maintenance.

There is also a **poolside bar** with tables arranged for residents’ enjoyment and relaxation.

The **indoor gym** is equipped with training machines, changing rooms, and direct access to the spa area, which includes a heated pool with the Munich system, as well as a sauna, jacuzzi, and massage room.

The **outdoor gym** provides all necessary equipment for exercising in the open air, along with recreational and leisure areas for enhanced enjoyment
