Property Description

Location: Spain, La Cala De Mijas

Welcome to this new project consisting of 69 villas, with the first phase already sold out and the second phase now for sale.

The project is located in El Chaparral, Mijas, and offers south-facing properties with amazing views to the Mediterranean Sea. The surrounding area is full of natural beauty and stunning golf courses, and of course the beach is only minutes away.

The interiors of these new homes offer a fluid, open-plan design and seamlessly connects your interior and exterior spaces. The fitted kitchens are equipped with branded appliances and offer a functional yet stylish space.

The bedrooms and bathrooms are spacious and bright thanks to the orientation and large windows.

The homes incorporate security features including security doors and video entry system. The garage doors open via a remote control and are equipped with protection systems and mechanical ventilation.

The generous terraces are perfect spaces for relaxing or entertaining, making the most of the Costa del Sol sun.

The communal areas include a large swimming pool with solarium, a gymnasium, sauna and Turkish bath, a coworking space and outdoor social areas.
