Property Description

Location:

A seven-bedroom villa for sale in Guadalmina Alta, recently refurbished and set on a private plot of around 2,500m², within a one-minute walk of Real Club de Golf Guadalmina and a seven-minute drive to Puerto Banús.

The main level opens into a bright, open-plan living area with multiple reception zones and a dining space connecting to a contemporary kitchen with a central island. To one side of the entrance, a guest bedroom suite sits alongside additional family accommodation, a further ensuite bedroom with a study or games room, and a laundry room accessible via spiral staircase. To the other side, four further ensuite bedrooms include one with projector and terrace access, currently used as a children's space. The entire upper floor is dedicated to the main suite, with a private sitting area, dressing room, ensuite bathroom, and a private terrace with jacuzzi and sea views.

Guadalmina Alta is one of the western Costa del Sol's most established residential addresses — a quiet, tree-lined area that draws families seeking space, privacy, and strong year-round connectivity. The Guadalmina Commercial Centre is within easy walking distance, with San Pedro de Alcántara a short drive and the beach at Playa Linda Vista six minutes by car. Málaga Airport is 45 minutes away.

Outside, a covered south-facing terrace connects to the swimming pool and jacuzzi, with a fully equipped gym and wet room alongside. A separate two-bedroom staff apartment is located in the garden. The wrap-around garden offers generous outdoor space for children, and the villa includes garage parking and additional off-road spaces.

For families seeking scale, privacy, and golf-course proximity in a well-connected part of the Costa del Sol, this is a well-considered home with a great deal of space on offer.
