Property Description

Location:

An exclusive 116-apartment complex, newly built and completed in spring 2024. All flats are ready to move into and are located just 100 metres from Fuengirola Beach.

The development offers two- and three-bedroom apartments with large terraces and stunning sea views. Each property includes a garage and storage room in the price.

The project has been meticulously designed to provide all the amenities required for contemporary living: modern facilities, spacious terraces, and exceptional communal areas that encourage residents to enjoy the authentic Mediterranean lifestyle.

The building is constructed under the international BREEAM (Building Research Establishment Environmental Assessment Methodology) certification, ensuring sustainability and environmental efficiency.

Owners will have exclusive access to a wide range of premium services, including a state-of-the-art cinema, outdoor saltwater swimming pool, indoor pool with spa area, gastro bar, gym, co-working space, concierge service, and a personal app to manage all amenities.

This project has received multiple awards: Best Smart Home in Spain and Best Sustainable Residential Development by the International Property Awards, as well as Best Sustainable Luxury Apartment by the Luxury Lifestyle Awards 2024.

Located in Fuengirola, in the heart of the Costa del Sol, the complex is just a 20-minute drive from Málaga to the east and Marbella to the west.
