Property Description

Location:

Exclusive private project of only 28 designer apartments, distributed across four blocks, offering the perfect mix of apartments and penthouses to meet the needs of our clients. The buildings have a maximum of three floors, ensuring they integrate seamlessly with the natural surroundings.

Set in a stunning natural environment, this collection of homes offers panoramic views of the coastline from a privileged location.

Each nature-inspired home features spacious open and covered terraces, accessible from both the living room and bedrooms. Bathed in natural light and fresh mountain air, these spaces encourage effortless indoor-outdoor living.

This is the only project where residents can exclusively enjoy an infinity saltwater pool and three communal decks, including a gym, coworking spaces, and the top-level deck with spectacular views for relaxation and reflection.

Generous landscaped outdoor common areas have been carefully designed with native aromatic plants, shrubs, and low-water trees. Pedestrian paths and landscaped areas are adapted for people with reduced mobility. There is also private access to the solarium outside the home from the entrance, in addition to the normal access through the internal staircase.

Residents will enjoy a modern, state-of-the-art apartment complex near Angsana Real by La Quinta Hotel & Branded Residences by Banyan Tree Group, while staying closely connected to the surrounding natural landscape.

For digital nomads, high-speed broadband connections ensure you can work seamlessly from this incredible environment and stay connected anywhere in the world.
