

3 bed Apartment

€1.475.815

Ref: aalto-1

This exclusive project consists of 13 luxurious townhouses in La Cala de Mijas, on the Costa del Sol, a region renowned for its natural beauty and proximity to Marbella. The homes feature a Scandinavian-inspired design that blends seamlessly with the surrounding environment, offering panoramic sea views. South-facing and highly energy-efficient, each property includes a private rooftop terrace with jacuzzi, ideal for enjoying the sun and breathtaking views. The townhouses offer between 3 and 5 bedrooms, depending on the buyer's preference, and are finished with high-quality materials, including gourmet kitchens, designer bathrooms, and underfloor heating throughout. The complex also features a swimming pool and landscaped gardens, and is within walking distance to the beach, while Marbe...

Property Description

Location:

This exclusive project consists of 13 luxurious townhouses in La Cala de Mijas, on the Costa del Sol, a region renowned for its natural beauty and proximity to Marbella.

The homes feature a Scandinavian-inspired design that blends seamlessly with the surrounding environment, offering panoramic sea views. South-facing and highly energy-efficient, each property includes a private rooftop terrace with jacuzzi, ideal for enjoying the sun and breathtaking views.

The townhouses offer between 3 and 5 bedrooms, depending on the buyer's preference, and are finished with high-quality materials, including gourmet kitchens, designer bathrooms, and underfloor heating throughout.

The complex also features a swimming pool and landscaped gardens, and is within walking distance to the beach, while Marbella is just a 10-minute drive away.

The area offers all essential services such as supermarkets, banks, pharmacies, and a wide selection of restaurants. Leisure options include a golf course, tennis and padel clubs, and nearby children's playgrounds. The location provides excellent connectivity to Marbella, Puerto Banús, and Málaga Airport, just 25 minutes away.

Designed by architects González & Jacobson, this project stands out for its efficient and environmentally conscious architecture, tailored to modern living needs, offering a unique and comfortable home on the Costa del Sol.
