Property Description

Location:

We present an extraordinary villa located in the heart of La Quinta, set on a prestigious frontline golf plot within the gated community of El Herrojo. This exceptional residence combines architectural elegance with modern functionality, offering beautiful open views across the fairways in one of the most desirable residential settings near Marbella.

Designed to create a seamless connection between indoor and outdoor living, wide sliding glass doors open onto immaculate terraces where a private swimming pool, sunbathing areas, and a small outdoor kitchenette with barbecue create the ideal environment for entertaining or enjoying quiet moments in the sun.

Inside, the villa reveals exceptional design details. Curved arches add architectural character while preserving an open-plan layout that flows naturally between each living space. Natural light fills every corner, enhancing the refined atmosphere and carefully selected finishes throughout the home.

The kitchen and dining area form one of the property's main focal points, finished in natural wood and designed to combine style with practicality. Equipped with top-quality appliances and bespoke cabinetry, the kitchen offers both elegance and everyday functionality.

Two distinct living rooms, one more intimate and one larger for entertaining, provide flexible spaces for different lifestyles, each furnished with carefully curated elements that elevate the overall ambience.

The villa offers five generously proportioned bedrooms, all designed for modern comfort, with the master suite standing out as a true expression of luxury. It features an elegant dressing room and a spacious bathroom with double washbasins, a freestanding bathtub, and separate shower.

Additional features include a private courtyard, a fully equipped gym, and a spacious garage, completing a home designed for comfort, privacy, and sophisticated living.
