Property Description

Location:

This newly built villa in Marbella Hill Club perfectly combines elegance, luxury, comfort, and relaxation in one exceptional residence. Designed with bespoke interiors by Pedro Peña, every detail has been carefully curated to create a home of unique character and refined sophistication.

The interior design embraces a calming neutral palette, enriched by natural materials such as wood and marble, creating elegant contrasts that enhance the sense of luxury throughout the property. Attention to detail is present in every corner, where selected finishes and decorative accents become true design statements.

The open-plan living area has been conceived to create a natural sense of flow while preserving distinct functional spaces. The lounge offers an atmosphere of complete comfort, ideal for relaxation, while the harmonious colour palette and carefully selected artwork contribute to a tranquil and elegant setting.

The kitchen combines simplicity and functionality, equipped with state-of-the-art appliances and a wine cooler that make it ideal for both everyday living and entertaining. The bedrooms maintain the same refined standard, featuring premium materials and carefully chosen décor that create a luxurious and welcoming atmosphere.

The bathrooms are equally sophisticated, with double vanities, elegant showers, and separate bathtubs designed for maximum comfort. In addition, the property offers exceptional lifestyle amenities, including a custom-built bar, entertainment room, private gym, Turkish bath, and indoor swimming pool.

Set on a spacious plot, the villa provides generous outdoor areas designed to fully enjoy the Mediterranean climate, with multiple seating spaces, a private outdoor swimming pool, and direct sea views. Located close to Marbella Golden Mile, this residence represents a unique opportunity to enjoy luxury living in one of Marbella’s most prestigious settings.
