Property Description

Location: Spain, Casares

Set in an enchanting natural landscape, the villa’s character is inspired by the climate and traditions of its natural surroundings. The sloping terrain means the plot is accessed from its upper-most point, with the property largely extending below.

The villa is accessed via a stone patio reminiscent of an Andalusian secret garden. On entering the plot, one is greeted by a spectacular vista of the Andalusian horizon, before descending to be met with the view of the magnificent villa. White, open plan rooms form a vast and versatile space that also acts as the perfect viewpoint from which to admire the beauty of the natural landscape, breaking down the boundary separating the interior from the exterior.

Location:
A prized location, comprising individual enclosed plots with private gardens and swimming pools; a haven like no other. Not only have we meticulously designed these unique projects and selected the highest quality specifications and fittings, but we have also ensured that each and every villa boasts magnificent sweeping views over our golf course and the Mediterranean coast. The architects have adopted the most innovative solutions to successfully marry both luxury and quality.

The villas boast their own unique style and character and can be designed to your own specific requirements, including architecture, layout, finishings, and landscaping; at Finca Cortesin, nothing is left to chance, offering a wide variety of products, providing bespoke solutions to meet their individual needs, with quality and exclusivity forming the basis of everything we offer. Finca Cortesin is more than just a summer home; it is a unique and exclusive resort that combines natural beauty, an unrivalled climate and luxury to meet the everyday demands of modern contemporary living.

“Finca Cortesin is just what you would want from a really good resort: stylishly conceived, serious restaurants and spa, with attentive service all round”
